Assistant Professor at AL-Mansour University College – Accounting and Banking Sciences Department

EXPERIENCE

- Assistant Professor in AL-Mansour University College , Department of Accounting and Banking Sciences.
- 1997 – till now
  A staff member in Al- Mansour University College , taught many courses for undergraduates .
  Among these are Statistics , Financial Mathematics and Quantitative Techniques.
- Member of the Iraqi Association of Statistical Sciences .
- Participated in US AID held in Baghdad 2015 .
- Reviewer in many local and international journals.
- Published more than 20 papers locally and internationally.
- Participated in the workshop (Academic Researcher) in MUC in Baghdad 2018.
- Participated in the workshop power point 2016 in MUC in Baghdad 2018.

EDUCATION

October- 1996

Master of Science Statistics – University of Baghdad
Iraq- Baghdad

July – 1993

B.Sc. in Statistics – University of Baghdad
Iraq - Baghdad

SKILLS

- The use of statistical programs package in the field of data analysis
  - The Use of Quantitative Methods in Administrative, Economic and Accounting fields

PUBLICATIONS

- Proposing A Solution for the problem of Choosing Orthogonal Contrasts for equal sample sizes, 2018
- Proposing A New Mixture Statistical Distribution Exponential – Kumaraswamy,2018
- A Comparison of the Estimation Methods for the Non-Linear Parameter of First Order Moving Average Model , 2018
- A Proposed Method for Estimating Parameters of Non – Gaussian Second Order Moving Average, 2016
- Estimating the Spectral Power Density Function of Non- Gaussian second order Autoregressive model , 2014
- A note on Extension of Qenouille's (Modified Least Square Estimator) of Non-Gaussian First Order Autoregressive model , 2014
- Random Coefficient Non- Gaussian First Order Autoregressive Model , 2014
- A Comparison of Statistic used in Statistical Significance Testing of Remains Auto-Correlations in Non-Gaussian Moving Average Models the first order (A Simulation Study) , 2013
- A Moment Behavior Tracking of Non-Gaussian Seasonal Autoregressive Model of First Order (Simulation Study),(in Arabic) , 2011
- Non – Gaussian Second Order Moving Average Model , (in Arabic) , 2011
- The Effect of Parameter on Power Spectral Density Function for Moving Average Model from First Order – A Simulation Study, (in Arabic) , 2010

- **Behaviour of the parameter of Non- Gaussian Seasonal Autoregressive Model from first order SAR(1) –simulation study , 2007**
- **Estimating Parameters o Non-Gaussian Mixed Model ARMA(1,1) by using a Non-Linear Newton Raphson procedure – simulation study , 2005**
- **The Behavior of Power Spectral Density Function for Gaussian Seasonal Autoregressive Model From Second Order- Simulation Study , (in Arabic), 2005**
- **A Comparison of Some Estimation Methods for Non – Gaussian Autoregressive Parameters Model from Third Order – Simulation Study , (in Arabic) , 2004**
- **Monte Carlo Results of Random Coefficient , 2002**
- **Parameter,s Effect on Power Density Function for Autoregressive Model from First Order – Simulation Study , (in Arabic) , 2002**
- **Use the Iterative Process Method to Estimate the Parameter of the Non – Gaussian First Order Moving Average Model – Simulation Study, (in Arabic) , 2001**
- **A Note On A Modified LSE of AR(1) process (using simulation) , 1999**
- **A Proposed Method for Estimating Parameter of Seasonal First Order Moving Average Model , (in Arabic) , 1997**

AWARDS, THANKS & APPRECIATION, AND PATENTS IF ANY

- Five thanks appreciation from different Universities because of participation in scientific conferences.
- Three Certificates of appreciation from different Universities and colleges.
